

DIGITUS®Fiber Optic LCCouplers

✓ Compact & sturdy design

✓ High quality ceramic ferrule

✓ Perfect for assembling of splice boxes

✓ Quick and easy installation

Abstract

DIGITUS®Fiber Optic LCCouplers, Duplex, Quad; Singlemode, Multimode

Features

- Compact design
- Sturdy housing
- Accurate processed
- Perfect for assembling of splice boxes
- Quick and easy installation
- With dust protection caps
- High quality ceramic ferrule
- Low return- and insertion loss
- Compatible to Telcordia, ANSI, TIA/ EIA, NTT und JIS
- According to IEC 61754 standards
- LC Duplex suitable for SC Simplex break-out
- LC Quad suitable for SC Duplex break-out
- Couplers with laser shutter (on request)

Product Overview

The high quality DIGITUS®fiber optic couplers with ceramic ferrule are the perfect supplement for the assembling of splice boxes. Due to constant quality controls and the accurate processing, the couplers guarantee an optimal performance and link quality. Each coupler is equipped with a dust protection cup, to protect the ferrules against dust. Moreover the couplers are delivered with the suitable mounting material, so that they can be installed and fixed to the front panels immediately. The perfect performance is achieved by using the DIGITUS®pigtaills, which are also high quality manufactured and whose connectors interact with the couplers in the best of possible ways.

Specifications

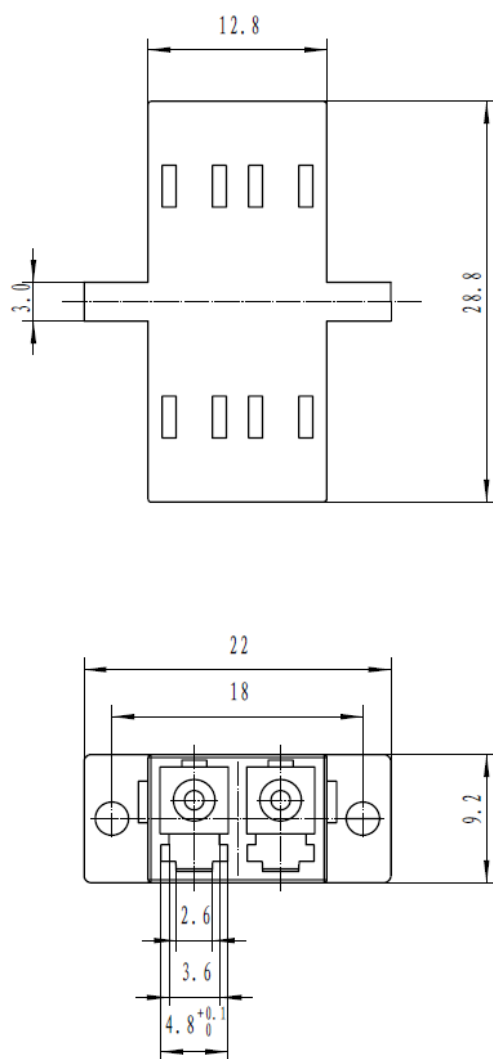

Connector	Singlemode 9/ 125 μ	Multimode 50/ 125 μ
Ferrule	Ceramic	Ceramic
Color	Blue/ Metal	Beige/ Aqua/ Violet/ Metal
Insertion loss	< 0.20 dB	< 0.20 dB
Life cycle	max. 1000 matings	max. 1000 matings
Operating temperature	-40 °C up to +85 °C	-40 °C up to +85 °C

Application Areas

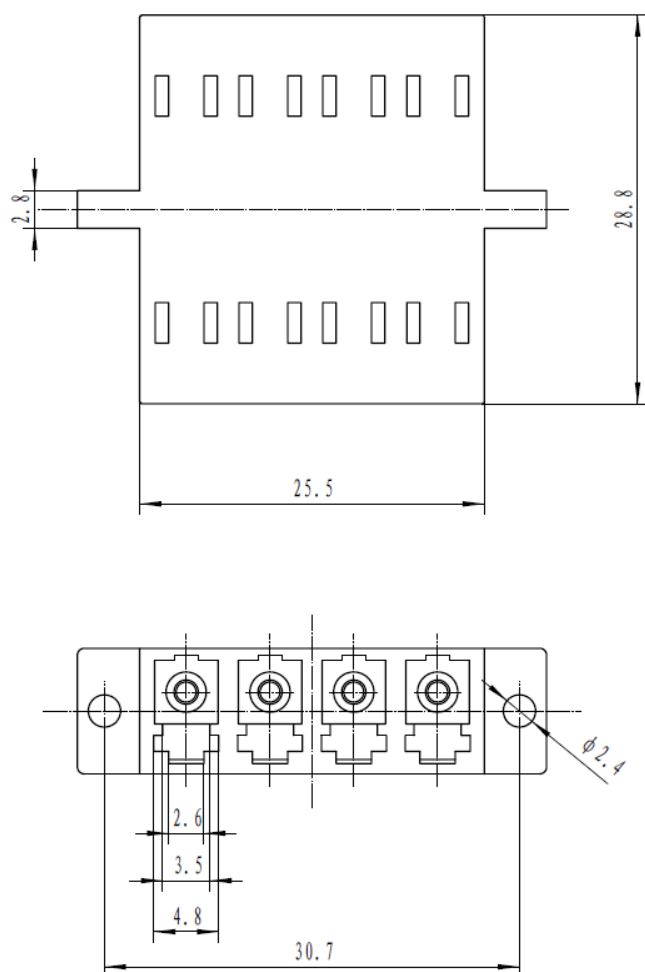

- CATV
- Active Network/ Transceiver
- Passive Network
- Telecommunication
- Metro
- Multimedia
- Test equipment
- Gigabit Ethernet
- Video

Product Number Information

DN-96007-1	DIGITUS®LC/LC Duplex Coupler, color blue, ceramic sleeve, polymer housing, Singlemode, incl. fixing material
DN-96008-1	DIGITUS®LC/LC Duplex Coupler, color Beige, ceramic sleeve, polymer housing, Multimode, incl. fixing material
DN-96009-1	DIGITUS®LC/LC Duplex Coupler, color Aqua, ceramic sleeve, polymer housing, Multimode, incl. fixing material
DN-96010-1	DIGITUS®LC/LC Quad Coupler, color Beige, ceramic sleeve, Plastikgehäuse, Multimode, incl. fixing material
DN-96011-1	DIGITUS®LC/LC Quad Coupler, color Aqua, ceramic sleeve, Plastikgehäuse, Singlemode, incl. fixing material
DN-96012-1	DIGITUS®LC/LC Quad Coupler, color blue, ceramic sleeve, Plastikgehäuse, Singlemode, incl. fixing material
DN-96016-1	DIGITUS®LC/LC Quad Coupler, circonia sleeve, metal housing, Singlemode, incl. fixing material
DN-96017-1	DIGITUS®LC/LC Quad Coupler, circonia sleeve, metal housing, Multimode, incl. fixing material
