

Motorcycle Accessories

Dual USB Power Supply

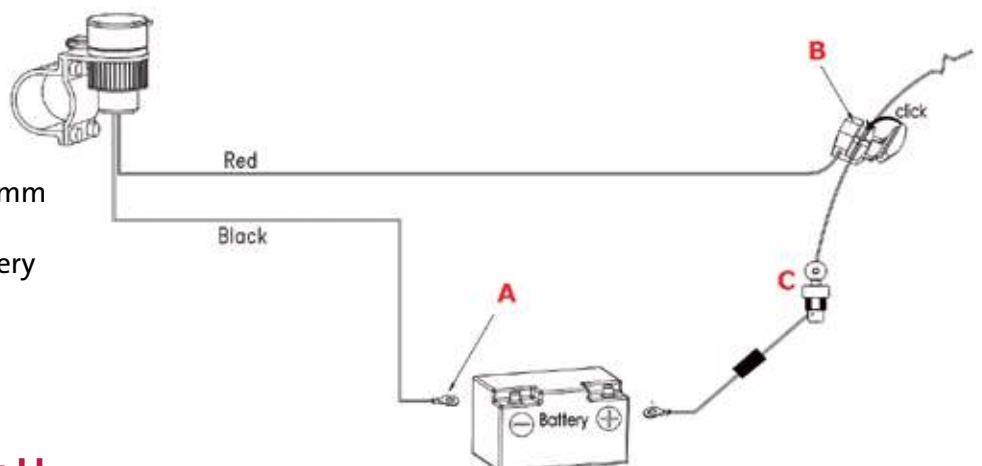

► Ord.-No.: 73700

New! With discharge protection

Dual USB Power Supply Motorbike 12 – 18 V. You can install the dual USB power supply (for connection to the bike's battery) with its strong mount on the handle bar or directly on the bike. Instead of buying a 12 V car adapter for each of your electronic devices you can use the USB power supply to charge all your units. Especially useful to charge your Smartphones, BT Intercom systems, XTC Action cams or GPS navigation systems.

Technical Specifications

- Installation depth (inside) 45 mm
- Diameter (inside) 28 mm
- Connection cable for the battery
- Water resistant cover
