Apple compatible

The reliable wireless charger for those who value convenience and versatility! This charging station provides the best charging speed and is compatible with all devices supporting QI technology. The original shape allows you to simultaneously charge Apple Watch, iPhone, and Airpods with maximum convenience. Charging safety and speed are ensured by Novoton smart chipset. A sufficient charging distance of up to 7mm allows you to charge your smartphone without removing the case. The milky white color, which perfectly matches Apple products and other modern gadgets, turns the wireless charger into a real decoration of the space. The device is equipped with a wired charging module that is suitable for both Lightning and Micro USB. All you need is to turn the device on the appropriate side and attach it to the connector. A great solution to organize and optimize the storage of gadgets and reduce the need for different wires!
