## EN UNIVERSAL REMOTE CONTROL 10 IN 1

Replaces damaged original remote control.

Please charge the device before use.

Supports most TV brands available on the market.

### COMPATIBLE WITH MODELS

|         |           |
|---------|-----------|
| SAMSUNG | LG        |
| SONY    | PANASONIC |
| TOSHIBA | PHILIPS   |
| HISENSE | SHARP     |
| TCL     | VIZIO     |

The RC-22 remote control successfully replaces the original remote control. Comfortable, with a clear layout of buttons, it has the basic functionality of a remote control. Programmable with the most popular brands, it ensures wide compatibility, and the ability to charge the remote control via the built-in USB-C port makes it easier to use. This is a replacement specially designed to support TVs from most manufacturers available on the market.
