

## Multi-satellite support for 4 LNB Accessory for the QSD series

Multi-satellite support for the QSD series allowing up to 4 different satellite positions with a maximum separation of 20°. Marked with two main satellites (Astra 19° and Hotbird 13°), and for both QSD sizes (75 cm and 85 cm).

The design allows a slight rotation of the rail and the symmetrical or asymmetrical bolting relative to the centre of the satellite dish.

Supplied with screws and an additional LNB support (ref.790902).
