WMF Kult X 61.3022.2145 juice maker 500 W Black, Stainless steel:

These days, delicious, healthy and, most importantly, fresh fruit and vegetable juices are regulars at the table in many households. For quick, easy and gentle preparation, we recommend the WMF Kult X juicer with its energy-saving 500 W motor. Quick, thanks to its large 74 mm filler opening which saves lots of preparation time and its Cromargan® micro-strainer with long-lasting sharp blades. Simple, thanks to the 1.8 litre removable pulp container and juice jug with removable foam separator for up to 1.2 litres of juice. And gentle, because there are two different speeds optimised for different products to get the best out of the ingredients without losing valuable vitamins. A sealable juice spout with drip stop prevents your work-surface getting dirty, and cleaning the device is easy, as many of the parts are dishwasher-safe.
