The edge of glory

We know the facts: RGB just makes everything better. With edge-integrated RGB LED lighting, this desk is as cool as they come. And with 10 different colour modes, you can even adapt the lighting to whatever mood or game you're playing!

The sustainable surface

Red, green, blue, with extra focus on the *green*. Sustainably designed with a desktop made from FSC®-certified wood, the Luminus is cool with a conscience. What's more, its anti-scratch top layer with carbon look means it'll stay looking rad no matter how often you use it.

Awesome add-ons

Every character has their secret skills, and the Luminus does too. With an attachable cup holder, headset hook and built-in cable management system, this desk keeps your accessories organised and within easy reach.

A light touch

One touch and you're in control. The Luminus's on-desk touch controls offer you the ability to easily switch between colour modes and speeds to add even more excitement to your gaming sessions. Just like magic!

Plug in & play

We've made it as easy as possible to enjoy the Luminus – USB-powered, you can directly connect it to your laptop, PC, or any USB wall charger or powerbank to get those lights (and your game!) on in no time at all.

The magic mouse

Work across multiple devices? This is the mouse for you. With multiconnect capability, connect it to up to three devices at once via the 2.4G USB micro receiver and 2x Bluetooth and enjoy complete wireless freedom.

Recycled & remarkable

This mouse has been specifically designed to be good for you and good for the planet too. With a composition of 70% recycled plastics, it allows you to go about your day in a more sustainable way.

Two thumbs up

Your workday should be made as simple as possible, which is why the Bayo+ comes with two easily accessible thumb side buttons which enable you to easily navigate forward and back. That’s two thumbs up from us!

Dispose of disposables

No more disposable batteries needed here. With a fully rechargeable battery, enjoy up to 3 months of non-stop battery life and the possibility to keep using your mouse whilst charging via the included USB charge cable.

Precision in your palm

Move with precision and accuracy thanks to this mouse’s speed select button. With the ability to switch between 800-2400 DPI, adjust the cursor speed to best fit whichever task you’re tackling.
