Siku VW Beetle ADAC Classic car model Preassembled:

The VW Beetle presents itself in its classic role as a helper in an emergency: in the ADAC version labelled 'Straßenwacht', the cult classic becomes a symbol of decades of roadside assistance on German roads. Since 1945, the Beetle has stood for reliability and robustness - values that the ADAC also embodies with its 'Yellow Angels'. The metal body of the model is painted in bright yellow, complemented by the striking 'ADAC-Straßenwacht' lettering. Rubber tyres ensure realistic handling, while characteristic details such as the round headlights and the unmistakable Beetle silhouette in blister size capture the charm of the original.
